www.crazypinz.com

Crazy Pinz opened in January 2007 and is a 50,000 sq. ft. family entertainment center. Our facility houses 32 bowling lanes, 12 of which can be converted into private suites. We also have bumper cars, glow in the dark mini golf, over 70 arcade games and a three story interactive ball tent. Coconutz is our sports bar and restaurant on the main level and we have Kahunaz “over the top lounge” upstairs for private parties and gatherings. At Crazy Pinz we pride ourselves on having something to do for everyone. We work very hard to supply special events for the community. Some of our more popular events are Friday Night Family Fun (where we have a variety of wholesome entertainment at no charge for the kids) and Sunday Quartermania from 4pm to 8pm every Sunday. All of our specials and special events can be found on our web site at www.crazypinz.com or call or stop by and pick up some of our brochures and flyers that have been prepared by our good friends at Fast Print. We use Fast Print because of their consistent performance of fulfilling our printing needs.
